Dear Mr. Fitzpatrick,

Your letter to Director Rausch has been forwarded to this office for a response. The complaint that you filed with the Tennessee Bureau of Investigation (TBI) is contained in a TBI investigative case file. That record is confidential under Tennessee Code Annotated §10-7-504(a)(2)(A) and not open to inspection by members of the public except in compliance with a subpoena or an order of a court of record.

For that reason your request is denied until such time as we receive a subpoena or court order to produce it. Any other documents that TBI has that reference you are likewise investigative records and therefore not subject to public inspection.

Sincerely,

Professional Standards Unit

cc: Director Rausch
